

Viewing your Students State Test Results

- Log into your Illuminate Parent Portal
- On the left menu bar click “**State test Results**”
- Make sure the Previous year “**2018-19**” has a checkmark
- Make sure the **CAASPP** has a checkmark (if you had a 5th or 8th grader you can also check CST to view the Science test results.)
- Click **download** on the right

The screenshot displays the 'Test Filters' sidebar on the left and the main content area on the right. The sidebar includes sections for 'Years' and 'State Test'. In the 'Years' section, '2018-19' is selected with a blue checkmark, while other years are unselected. In the 'State Test' section, 'CAASPP', 'CST', and 'SBAC' are all selected with blue checkmarks. The main content area is titled '2018-19' and shows a 'CAASPP - Student Score Report' for 'Grade Level 0'. Below this, there is a search bar containing 'CAASPP 2018-19' and a blue 'Download' button. A black arrow points from the top right towards the 'Download' button.
